Canvas

It's time to put on your thinking caps and brush up your skills. Zion is back this year to check out if you can fly your own kite rack your brains and see if a single thought will turn out to be an innovation. It's the battle of minds and skills. Creativity comes from a conflict of ideas. Let your mind wonder onto the road less travelled. Creativity is contagious. Pass it on.

Venue: SEMINAR HALL CIVIL BLOCK

Think simple. Think different. Think creative.
